SECTION V – CLAIMS PROVISIONS

Your duties in event of a loss:

For Trip Interruption: Immediately, or as soon as possible, call Your Travel Supplier and Aon Affinity (see Where to Report a Claim) to report Your interruption to avoid non-covered charges due to late reporting.

If You must interrupt your Trip due to Sickness or Injury, You should obtain medical care immediately. We require a certification by the treating Physician at the time of Sickness or Injury that medically imposed restrictions prevented Your continued participation in the Trip. Provide all unused transportation tickets, official receipts, etc.

Trip Delay or Missed Connection: Obtain any specific dated documentation that provides proof of the reason for delay (airline or cruise line forms, medical statements, etc). Submit this documentation along with Your trip itinerary and all receipts for additional expenses incurred.

Medical Expenses: Obtain receipts from the providers of service, etc., stating the amount paid and listing the diagnosis and treatment. Submit these first to other medical plans. Provide a copy of their final disposition of Your claim.

For Baggage and Personal Effects and Baggage Delay:

In case of lost, stolen, damaged, destroyed or delayed Baggage and Personal Effects, You must:

- a) take all necessary and reasonable steps to protect, save or recover the property;
- b) notify, within 48 hours of the loss in writing, the police, hotel proprietors, ship lines, airlines, railroad, bus, airport or other station authorities, tour operators or group leaders, or any Common Carrier or bailee who has custody of Your property at the time of loss;
- c) obtain a copy of the reported loss, damage, delay or theft of the item from the Common Carrier who had possession of the item at the time of the loss to include the Common Carrier's liability for such loss;
- d) produce records needed to verify the claim and its amount, and permit copies to be made;
- e) provide Us, within 90 days from the date of loss, a detailed proof of loss signed and sworn to; and
- f) allow the property to be examined, if requested.

Where to Report a Claim:

To expedite your claim submission: www.aontravelclaim.com
Mail: Aon Affinity, 900 Stewart Avenue, Garden City, NY 11530-9998
Phone: 1-800-453-4022 or 1-516-342-7262

Notice of Claim: Notice of claim must be reported to Us within 30 days after a loss occurs or as soon as is reasonably possible. You or someone on Your behalf may give the notice. The notice should be given to Us or Our designated representative and should include sufficient information to identify You.

Claim Forms: Obtain claim forms from Aon Affinity or at www.aontravelclaim.com which will provide all the details for filing Your claim appropriately. Please read the instructions carefully. The instructions will direct You toward filing all the correct, necessary documentation and following the appropriate procedures in order to have Your claim settled as quickly as possible.

Proof of Loss: Proof of loss must be provided within 90 days after the date of the loss or as soon as is reasonably possible. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

Payment of Claims: Benefits payable under this policy will be paid immediately upon receipt of due written proof of loss. Benefits for Loss of life will be paid to Your designated beneficiary. If a beneficiary is not otherwise designated by You, benefits for Loss of life will be paid to the first of the following surviving preference beneficiaries:

- a) Your spouse;
- b) Your child or children jointly;
- c) Your parents jointly if both are living or the surviving parent if only one survives;
- d) Your brothers and sisters jointly; or
- e) Your estate.

All other benefits will be paid directly to You, unless otherwise directed. Any accrued benefits unpaid at Your death will be paid to Your estate. If You have assigned Your benefits, we will honor the assignment if a signed copy has been filed with us. We are not responsible for the validity of any assignment.

All or a portion of all benefits provided by the policy plan may, at Our option, be paid directly to the provider of the service(s) to You. All benefits not paid to the provider will be paid to You.

If any benefit is payable to: (a) an Insured who is a minor or otherwise not able to give a valid release; or (b) Your estate, We may pay any amount due under the policy to Your beneficiary or any relative whom We find entitled to the payment. Any payment made in good faith shall fully discharge Us to any party to the extent of such payment.

Unless the Insured makes an irrevocable designation of beneficiary, the right to change of beneficiary is reserved to the Insured and the consent of the beneficiary or beneficiaries shall not be requisite to surrender or assignment of this policy or to any change of beneficiary or beneficiaries, or to any other changes in this policy.

SECTION VI - GENERAL PROVISIONS

Entire Contract, Changes: This policy, including the Declarations, Schedule of Benefits or Confirmation of Benefits, endorsements and attached papers, if any, constitute the entire contract of insurance. No change in this policy shall be valid until approved by an executive officer of the Company and unless such approval be endorsed hereon or attached hereto. No agent has authority to change this policy or to waive any of its provisions.

Excess Insurance: Insurance provided by this policy shall be in excess of all other valid and collectible insurance or indemnity or as required by state law. If at the time of the occurrence of any loss there is other valid and collectible insurance or indemnity in place, We shall be liable only for the excess of the amount of loss, over the amount of such other insurance or indemnity, and applicable deductible. Recovery of losses from other parties does not result in a Refund of premium paid.

Physician Examination and Autopsy: We, at Our expense, may have You examined when and as often as is reasonable while the claim is pending. We may have an autopsy done (at Our expense) where it is not forbidden by law.

Legal Actions: No legal action for a claim can be brought against Us until 60 days after We receive proof of loss. No legal action for a claim can be brought against Us more than 3 years after the time required for giving proof of loss. This 3 year time period is extended from the date proof of loss is filed and the date the claim is denied in whole or in part.

Concealment and Misrepresentation: The entire coverage will be void, if before, during or after a loss, any material fact or circumstance relating to this insurance has been intentionally concealed or misrepresented.

Other Insurance with Us: You may be covered under only one travel insurance policy with Us for each Trip. If You are covered under more than one such policy, You may select the coverage that is to remain in effect. In the event of death, the selection will be made by Your beneficiary or estate. Premiums paid (less claims paid) will be Refunded for the duplicate coverage that does not remain in effect. For purposes of this provision policy, this does not include Security Deposit Waiver Insurance or Auto Rental Damage Insurance policies.

Subrogation: If We have made a payment for a loss under this coverage, and the person to or for whom payment was made has a right to recover damages from the Third Party responsible for the loss, We will be subrogated to that right. You shall help Us exercise Our rights in any reasonable way that We may request, including but not limited to: assigning your rights to recover such payment, signing and providing any documents reasonably allowing Us to do so. In the event You recover damages from the Third Party responsible for the loss, You will hold the proceeds of the recovery for Us in trust and reimburse Us to the extent of Our previous payment for the loss. Everyone eligible to receive payment for a claim submitted to Us must cooperate with this process and must refrain from doing anything that would adversely affect Our rights to recover payment. Everyone eligible to receive payment for a claim submitted to Us must cooperate with this process and must refrain from doing anything that would adversely affect Our rights to recover payment. Our right of subrogation applies even if Your entire loss has not been compensated.

Reductions in the Amount of Insurance: The applicable benefit amount will be reduced by the amount of benefits, if any, previously paid for any loss or damage under this coverage for this Trip.

Optional Electronic Delivery: If You choose Optional Electronic Delivery at the time of purchase, You agree to receive, accept, obtain or submit any and all documentation including the policy in electronic form e.g. via email and agree that electronic communications is a reasonable and proper form of communication that fully satisfies any requirement that communications be provided in writing.

Economic Sanctions Provision: This policy does not provide any coverage, benefit, or services for any activity that would violate any applicable economic/trade sanction or embargo law or regulation, including without limitation sanctions administered and enforced under the Office of Foreign Assets Control "OFAC".

The following provisions apply to Baggage/Personal Effects and Baggage Delay coverages:

Proof of Loss: You must furnish Us, or Our designated representative, with proof of loss. This must be a detailed statement. It must be filed with Us, or Our designated representative within ninety (90) days from the date of loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to

give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

Settlement of loss: Claims for damage and/or destruction shall be paid after acceptable proof of the damage and/or destruction is presented to Us and We have determined the claim is covered. Claims for lost property will be paid after the lapse of a reasonable time if the property has not been recovered. You must present acceptable proof of loss and the value involved to Us.

Benefit to bailee: This insurance will in no way inure directly or indirectly to the benefit of any carrier or other bailee.

SECTION VII - COORDINATION OF BENEFITS

Applicability

The Coordination of Benefits ("COB") provision applies to This Plan when an Insured has health care coverage under more than one Plan. "Plan" and "This Plan" are defined below.

If this COB provision applies, the order of benefit determination rules should be looked at first. Those rules determine whether the benefits of This Plan are determined before or after those of another Plan. The benefits of This Plan:

- (a) will not be reduced when, under the order of benefit determination rules, This Plan determines its benefits before another Plan; but
- (b) may be reduced when, under the order of benefit determination rules, another Plan determines its benefits first. This reduction is described further in the section entitled Effect on the Benefits of This Plan.

Definitions

"Plan" is a form of coverage written on an expense incurred basis that provides benefits or services for, or because of, medical or dental care or treatment. "Plan" includes:

- (a) group insurance and group remittance subscriber contracts;
- (b) uninsured arrangements of group coverage;
- (c) group coverage through HMO's and other prepayment, group practice and individual practice Plans; and
- (d) blanket contracts, except blanket school accident coverages or a similar group when the individual policy pays the premium;
- (e) Medicaid or Medicare.

"Plan" does not include individual or family: (a) insurance contracts; (b) direct payment subscriber contracts; (c) coverage through HMO's; or (d) coverage under other prepayment, group practice and individual practice Plans.

"This Plan" is the parts of this blanket contract that provide benefits for health care expenses on an expense incurred basis.

"Primary Plan" is one whose benefits for a person's health care coverage must be determined without taking the existence of any other Plan into consideration. A Plan is a Primary Plan if either:

- (a) the Plan either has no order of benefit determination rules, or it has rules which differ from those in the contract; or
- (b) all Plans that cover the person use the same order of benefits determination rules as in this contract, and under those rules the Plan determines its benefits first.

"Secondary Plan" is one that is not a Primary Plan. If a person is covered by more than one Secondary Plan, the order of benefit determination rules of this contract decide the order in which their benefits are determined in relation to each other. The benefits of each Secondary Plan may take into consideration the benefits of the Primary Plan or Plans and the benefits of any other Plan, which, under the rules of this contract, has its benefits, determined before those of that Secondary Plan.

"Allowable Expense" is the necessary, reasonable, and customary item of expense for health care when the item of expense is covered at least in part under any of the Plans involved.

The difference between the cost of a private hospital room and a semi-private hospital room is not considered an Allowable Expense under the above definition unless the patient's stay in a private hospital room is medically necessary in terms of generally accepted medical practice.

When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered both an Allowable Expense and a benefit paid.

"Claim" is a request that benefits of a Plan be provided or paid. The benefits claimed may be in the form of: (a) services (including supplies); (b) payment for all or a portion of the expenses incurred; or (c) a combination of (a) and (b).

"Claim Determination Period" is the period of time, which must not be less than 12 consecutive months, over which Allowable Expenses are compared with total benefits payable in the absence of COB, to determine: (a) whether over insurance exists; and (b) how much each Plan will pay or provide.

For the purposes of this contract, Claim Determination Period is the period of time beginning with the Effective date of coverage and ending 12 consecutive months following the date of loss or longer as may be determined by the proof of loss provision.

Order of Benefit Determination Rules

When This Plan is a Primary Plan, its benefits are determined before those of any other Plan and without considering another Plan's benefits.

When This Plan is a Secondary Plan, its benefits are determined after those of any other Plan only when, under these rules, it is secondary to that other Plan.

When there is a basis for a Claim under This Plan and another Plan, This Plan is a Secondary Plan that has its benefits determined after those of the other Plan, unless:

- (a) the other Plan has rules coordinating its benefits with those of This Plan; and
- (b) both those rules and This Plan's rules, as described below, require that This Plan's benefits be determined before those of the other Plan.

Rules. This Plan determines its order of benefits using the first of the following rules which applies:

- (a) Nondependent/Dependent Rule. The benefits of the Plan which covers the person as an employee, member or subscriber (that is, other than as a dependent) are determined before those of the Plan that covers the person as a dependent.
- (b) Longer/Shorter Length of Coverage Rule. The benefits of the Plan that covered an employee, member or subscriber longer are determined before those of the Plan that covered that person for the shorter time.

To determine the length of time a person has been covered under a Plan, two Plans shall be treated as one if the claimant was eligible under the second within 24 hours after the first ended. Thus, the start of a new Plan does not include: (a) a change in the amount or scope of a Plan's benefits; (b) a change in the entity which pays, provides or administers the Plan's benefits; or (c) a change from one type of Plan to another. The claimant's length of time covered under a Plan is measured from the claimant's first date of coverage under that Plan. If that date is not readily available, the date the claimant first became a member of the group shall be used as the date from which to determine the length of time the claimant's coverage under the present Plan has been in force.

Effect on the Benefits of This Plan When it is Secondary

The benefits of This Plan will be reduced when it is a Secondary Plan so that the total benefits paid or provided by all Plans during a Claim Determination Period are not more than the total Allowable Expenses, not otherwise paid, which were incurred during the Claim Determination Period by the person for whom the Claim is made. As each Claim is submitted, This Plan determines its obligation to pay for Allowable Expenses based on all Claims that were submitted up to that point in time during the Claim Determination Period.

Right to Receive and Release Needed Information

Certain facts are needed to apply these COB rules. We have the right to decide which facts are needed. We may get needed facts from or give them to any other organization or person. We need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give Us any facts We need to pay the Claim.

Facility of Payment

A payment made under another Plan may include an amount that should have been paid under This Plan. If it does, We may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable monetary value of the benefits provided in the form of services.

Right of Recovery

If the amount of the payments made by Us is more than We should have paid under this COB provision, We may recover the excess from one or more of: (a) the persons We have paid or for whom We have paid; (b) insurance companies; or (c) other organizations.

Non-complying Plans

This Plan may coordinate its benefits with a Plan that is excess or always secondary or which uses order of benefit determination rules which are inconsistent with those of This Plan (non-complying Plan) on the following basis:

- (a) If This Plan is the Primary Plan, This Plan will pay its benefits on a primary basis;
- (b) if This Plan is the Secondary Plan, This Plan will pay its benefits first, but the amount of the benefits payable will be determined as if This Plan were the Secondary Plan. In this situation, Our payment will be the limit of This Plan's liability; and
- (c) if the non-complying Plan does not provide the information needed by This Plan to determine its benefits within 30 days after it is requested to do so, We will assume that the benefits of the non-complying Plan are identical to This Plan and will pay benefits accordingly. However, We will adjust any payments made based on this assumption whenever information becomes available as to the actual benefits of the non-complying Plan.

**WRITTEN NOTICE TO CALIFORNIA RESIDENTS REGARDING
TRAVEL INSURANCE PURCHASE**

NOTICE: This plan contains disability insurance benefits or health insurance benefits, or both, that only apply during the covered trip. You may have coverage from other sources that already provides you with these benefits. You should review your existing policies. If you have any questions about your current coverage, call your insurer or health plan.
